

Presentation Guidelines

Dear ICORIA-Presenter,

as there are usually four presenters in one session of 90 minutes, it would be great, if your presentation takes no longer than 15 minutes, so that there is some time left for discussion and for the setup of the next presenter.

You do not need to bring your own laptop. It would be perfect if you put your presentation on a memory stick and if your version is **compatible with PowerPoint 2003** (so preferable do not use PowerPoint 2007 or just save it as a 97-2003 version).

If you need any special equipment, please let us know some days before the conference.

If you have any further questions, please do not hesitate to contact us at: icoria2009@uni-klu.ac.at

We are glad to welcoming you in Klagenfurt.
