## ICORIA 2019 DOCTORAL COLLOQUIUM

The aim of the ICORIA Doctoral Colloquium is to provide PhD students with professional skills needed for their academic career. The colloquium gives PhD students the opportunity to learn from the insights and experiences of senior scholars in their field of study. Furthermore, PhD students will meet peers from different countries and start (or continue) building an international network that will be valuable throughout their academic career.

### WHAT

In 2019 the colloquium will cover strategies for research collaborations as well as insider tips and career advice from Europe's leading advertising researchers. All participants at the colloquium will also be invited to chair sessions in the main conference.

### WHEN

The 6th Doctoral Colloquium will be held on June 27 in the IMC University of Applied Sciences, Krems, Austria. The sessions will start around noon and conclude with the ICORIA welcome reception late afternoon.

### WHO

The colloquium is open to PhD students participating in ICORIA 2019 on June 27-29 (see separate call for papers).

### HOW

To participate in the ICORIA 2019 Doctoral Colloquium please send a one page application in which you describe your dissertation project and briefly motivate why the doctoral colloquium would be important for you in developing your research career.

Please send your application by e-mail to:  
Liselot.Hudders@Ugent.be and  
Dieneke.Vandesompel@Ugent.be no later than May 7, 2019.

Applicants will be notified about acceptance no later than May 14, 2019. The number of participants is limited and the selection will be based on the fit between research interests and ICORIA as well as motivations.
