

INSEEC – BORDEAUX

CALL FOR PAPERS

INSEEC will be hosting the 21st International Conference on Research in Advertising (ICORIA) from June 29 to July 1, 2023. ICORIA is the annual conference of the **European Advertising Academy** (EAA) whose objective it is to promote, disseminate and stimulate high quality research in the field. ICORIA offers a small and interactive setting and provides excellent opportunities for advertising scholars to build a knowledge exchange network and develop collaborative relationships in research and present their cutting-edge research from the advertising and communication realm.

INSEEC

Hangar 18-19 Quai de Bacalan 33300 Bordeaux

The conference topic **“Harder, Better, Faster, Stronger: Advertising and Communication between Immediacy and Sustainability”** inspired by the French music duo Daft Punk and is a reflection how to manage mass-communication and personalized messages, how to overcome the temptation of instant gratification vs long term benefit, how to deal with current and future trends, how to perform between one-minute buzz and authenticity, etc. These issues should find an answer thanks to research in advertising and communication, that is why we invite you to feed the debate and have a taste of France

The ICORIA will start on June 29, 2023, with the 8th doctoral colloquium and a welcome reception. On June 30 and July 1, 2023, the conference will host the presentation of around 150 papers on various topics related to advertising and communication. A Gala Dinner will give you the opportunity to discover a taste of France, and as usual this event will allow further networking.

8th ICORIA DOCTORAL COLLOQUIUM

The aim of this colloquium is to provide PhD students with professional skills needed for their academic career. A selection of renowned scholars from the fields of advertising, marketing, and branding will give interactive lectures and workshops on various topics, including how to publish your work in top academic journals, how to manage your supervisors, the do's and don'ts of peer reviewing and career advice.

Active participation and some preparation are expected from the participants. The colloquium gives PhD students the opportunity to learn from the insights and experiences of senior scholars in their field of study. Moreover, PhD students will meet their peers from different countries and be able to build their international network that will become valuable throughout their academic career. Please visit www.icoria.org for further information.

PhD students will be invited to chair sessions and embrace their future role.
